Principal Report - Veronica: School being painted over the summer. Chanen has been amazing, made renderings, we have paint samples because school is being repainted this summer. Memorial for Ms Holemon - AZ Flag that flew over capitol was bought and presented to school. Will remain in library for our students. Talking about updating area outside of gate into more parent waiting area with pavers, benches and shade. Pavers in area could be engraved/sold so cover the cost and would have a memorial plaque for gwynda as well. Kinder play dates are great - thanks to Sabra. 2nd grade team will be somewhat new - Mrs. Allen leaving teaching profession - but great 2nd grade team. Should be getting new kinder teacher as well for 4th classroom. New 3rd grade teacher will be replacing Kate Conway who is also leaving teaching profession. Still looking at 3rd grade numbers, hope to add another class but not there yet. Adding video cameras (7) to increase school security this summer.
