What do you enjoy doing during your free time? Activities or Hobbies?

I am an avid gardener and am researching my genealogy. I am fascinated by all things science, especially the brain, a huge Star Trek fan (Ok, not the kind that I geek out and attend conventions .... yet), and love history.

Is there anything else you'd like to share about yourself?

- I love to learn people's stories, come tell me yours. My love language is service. I just sent my two daughters off to college again (come give me a hug). I have a dog, a cat and two desert tortoises. I'm a "Do it Yourself" person. I spend my weekends working in the yard. I hate cooking but love baking although I am terrible at it.

THANK YOU FOR ALL YOU DO!
