

CORVETTE CLUB OF KANSAS CITY Beer Tasting and Lunch at Barley's

Have you ever wondered about all the various types and styles of beer? If so, join us for an enlightening afternoon of beer sampling and lunch at Barley's Kitchen + Tap on a reserved private patio.

Ria Kourri, GM of Barley's and a certified Level I Cicerone, will walk us through 4 distinct styles of beer. A flight consists of 4 beers, 5 ounces each, and costs approximately \$10-\$12. Ria will explain the brewing style, the flavor profiles and unique aromas of each beer. You can join us for lunch even if you don't care for beer.
