

CORVETTE CLUB OF KANSAS CITY

This is a fun event for your entire extended family. Bring your grandchildren. We've been asked by Cosentino's Market to support their event by showing our Corvettes. They will have a roped-off area for our cars similar to Cruise Nights.

Cosentino's has done an incredible job of supporting our Club's monthly Cruise Nights. I urge every member to make that extra effort to come out to this event and support their sponsorship of our Cruise Nights.

Please read the attached Hawktoberfest flyer for a listing of all the activities.

Time: 4:30pm to have our cars on display. Stay as long as you like.

Location: 8051 W 160th Street, Overland Park, KS 66223

Consentino's will need a car count from me no later than Monday September 27th so they can plan the size of the reserved parking space for us.

Please RSVP no later than September 27th to me if you wish to attend.
