

Florida Fish and Wildlife Conservation Commission 2021-22 Lionfish Tournament Assistance Program

Overview

The Florida Fish and Wildlife Conservation Commission (FWC) encourages removal of invasive lionfish from Florida waters. Localized removal efforts, such as lionfish tournaments, have been shown to be effective in reducing lionfish populations. The FWC seeks to increase participation in lionfish removals through outreach efforts and support of lionfish tournaments.

To supplement these efforts, the FWC has allocated assistance funds to encourage lionfish harvest through organized tournaments. Eligible applicants will receive funding assistance to support lionfish removals through an organized tournament. **The amount of funding to be awarded is based primarily on the type of tournament being held and secondarily on the number of participants:**

- | | |
|---|---------|
| ▪ Tournaments with a lionfish category | \$500 |
| ▪ Lionfish-specific tournaments with <i>less than</i> 20 participants | \$1,000 |
| ▪ Lionfish-specific tournaments with <i>more than</i> 20 participants | \$1,500 |
| ▪ Lionfish-specific tournaments with <i>more than</i> 40 participants | \$2,400 |

All tournaments must have a minimum of 10 participants to be granted assistance funding. Participants are defined as divers or saltwater anglers who are registered for the specified tournament and qualify as one of the following:

1. Attempt to harvest lionfish within the tournament timeline and attend the tournament weigh-in to sign the “Harvest Acknowledgement Form” (page 6).
2. Successfully harvest lionfish within the tournament timeline and submit their caught lionfish to the tournament weigh-in.

Note: If the tournament organizer anticipates that participants may qualify as #1 (above), then it is the tournament organizer’s responsibility to provide copies of the Harvest

Acknowledgment Form (page 6) and ensure those forms are signed and submitted with the Final Tournament Report.

Tournament organizers and participants should be aware of all recreational saltwater rules and regulations that may apply. Learn more at [MyFWC.com/Fishing/Saltwater](https://www.myfwc.com/fishing/saltwater).
