**FIRE RESTRICTIONS TEMPORARILY LIFTED**

Due to generous amounts of snowfall received recently, Mora County hereby temporarily lifts open burning, camp fire, smoking and fireworks restrictions as of today, March 29, 2021.

County officials continue to urge everybody to take precautions when engaging in any activity that could potentially cause an unwanted fire.

Fire restrictions will be re-imposed on Monday, April 12, 2021.
