

Honeymoon Along Alabama's Gulf Coast

by Linda Holloway

The Beach Club: The best day of your life has come to an end, and memories replace the “to do” list. Post wedding fatigue is real, and the last thing you need is to wait in line at the airport. Enjoy a destination that fulfills your honeymoon dreams that is only a few hours away. The Beach Club Resort and Spa delivers the atmosphere and amenities you crave. Play and relax on 86 acres of natural beauty with private, white-sand beaches spanning the length of nearly five football fields. Here, nature and activities combine to celebrate romance.

Located along the Fort Morgan Peninsula, The Beach Club is known as a premier full-service resort. The Beach Club offers 1–5-bedroom condos, in Gulf-front towers and lakeside cottages. Our 1-bedroom condo, overlooking the Gulf of Mexico, was where the balcony became

our oasis. Below, there are two swings overlooking the wind-swept dunes—claim your spot early for sunset.

The Beach Club has a bounty of amenities. To qualify for all of them, book your stay through Spectrum Resorts. An acclaimed Spectrum Resorts “Clean Bed Guarantee” promises every guest will be greeted with a freshly laundered white duvet on every bed. The resort’s GEMs (Guest Experience Managers) are ready to assist with all things romantic. How about flower petals and champagne in the room when you arrive?

Additional amenities include priority reservations in the resort’s restaurants and advanced beach chair reservations that guarantee first row. Call ahead and the staff will save time by grocery shopping for your selected items, and they will be waiting in the fridge

and cabinets upon arrival. Be sure to dine at the resort's romantic Coast restaurant, and request the veranda overlooking the Gulf.

There are five outdoor pools, each with a hot tub, as well as an indoor pool. Poolside service is available seasonally offering food and drink options. For privacy, cabanas are available for rent at the Clubhouse Pool, and they come stocked with fresh fruit and cold water. If you are visiting late spring through fall, check out the hub of the resort, The Village Lawn. You'll find multiple food trucks and nightly entertainment.

Adventure seekers can try water sports such as jet ski rentals, parasailing and paddle boarding. Tennis anyone? The Racquet Club is amazing. Relax at the Spa and Salon with a couple's treatment. Nothing evokes honeymoon memories like your last moonlight walk along the surf at The Beach Club.
