Stanford Blood Center - Blood Drive

Every two seconds, someone in the U.S. needs blood, and one donation can potentially save three lives. However, blood banks in the U.S. have been seeing a decline in blood donors.

The local Danville community is invited to become hometown heroes and answer the call of patients in need by donating blood on Sunday, February 23 from 11 am to 3 pm at the Stanford Blood Center's (SBC) mobile blood drive coming to the Danville Livery. SBC will be setting up the bloodmobile in the parking lot located at 101 Sycamore Valley Road, near ProFormance Pilates. To schedule an appointment, please visit sbcdonor.org or call (888) 723-7831. Walk-in appointments also welcome the day of the blood drive.

Help support local patients by giving blood. In just an hour of your time, you could help save up to three lives!
