

SEVILLE TOWNSHIP PLANNING COMMISSION
Virtual Meeting- GoTo Meeting
Public Hearing
May 7, 2020

Chairperson J. Fish, called the public hearing meeting to order at 7:03 p.m, using GOTO Meeting on the internet.

Members Present: Chairperson Jeremy Fish, Secretary Ashlee Gibson -Smith, Jason Crites, Bob Leiter, Brian Balcom

Member Absent: None

Public Comment:

-Amy Densmore commented on their facility and they have presented business plan multiple times to the township. Phase 2 plan to State in next week, have permits in next week to be up and running.

-Mike Kenny questioned what the effect this zoning ordinance would have on his adjacent property to the east of Kurt McCourt's property proposed for a Grow Facility and if it would affect putting a house on his property. Mike commented that it was under his understanding that the property was commercially zoned but it was discussed by Tish Mallory that the property is all residential, if it was zoned commercial it was never changed.

-Kurt McCourt commented on how his operation will look, at his transparency and openness with his neighbors and the township.

-Comment was made by Tish Mallory that she has fielded questions about the grow facilities but there was some misconception and confusion of what was happening at each of the proposed locations and there have been communications to educate the public on what the ordinance will allow.

-Question was brought up Jeremy Fish about similar addresses for Transporter and Lab. It was distinguished that each has their own distinct suite number that differentiates the sites.

Motion by A. Gibson Smith and seconded by B. Leiter to adjourn the meeting.

The meeting was adjourned at 7:30 p.m.

Respectfully Submitted by Ashlee Gibson-Smith, Planning Commission Secretary
