

MEDICAL GENETICS CAREER FAIR

Hosted by:

Rare New England

Coordinating Resources for Patients and Families
With Rare and Complex Disorders

For college & medical students,
interns & residents.

Genetics touches all aspects of medicine.
Come learn about careers in medical genetics!
Hear directly from physicians and scientists working in the field.

NOVEMBER 10TH & DECEMBER 10TH, 2020 | 6:30-7:30 PM
VIRTUAL EVENT VIA ZOOM

**Speakers include professionals in Clinical Genetics, Biochemical Genetics, and
Laboratory/Research Genetics.**
