

Obey Exploring

- Commit to attending online Bible Study prior to your worship service of choice and make it a habit of regular attendance within 3 months. More information can be found on our website fumcyubacity.com under the Happenings tab.
- Write down questions you have from your Sunday School class then explore the answers Sunday afternoon. Come back to Sunday School next week with any further questions or answers to share.
- Hide God's word in your heart. Start with memorizing this verse:
2 Corinthians 5:17 *"Therefore, if anyone is in Christ he is a new creation; the old has gone, the new has come!"*
- Once we decide to follow Jesus, we need to learn the path to discipleship. The Journey is an intentional plan for discipleship that provides a purposeful process for maturing in Christ.
- Read and ponder this article. It has some difficult concepts. We invite you to talk to the pastors with any questions you have. <https://goingfarther.net/lesson-3-obeying-christ/>
- Read the Bible daily, even if it is just a verse or two.
