

## Open Exploring

- If you don't have a Bible, download an app for your phone and read the Verse of the Day and contemplate what God is saying to you.
- Watch this 2 minute video and ponder what it means to you.  
<https://www.exploreGod.com/videos/exploring-god>
- Once we decide to follow Jesus, we need to learn the path to discipleship. The Journey series of small groups is an intentional plan for discipleship that provides a purposeful process for maturing in Christ.
- Hide God's word in your heart. Start with memorizing this verse.  
**Genesis 1:1** *"In the beginning, God created the heavens and the earth"*
- When you attend Sunday services, commit to reading the Scripture from the sermon on Sunday afternoon and write down any questions to ask the following week.
- Ask (April or someone else) how to load You Version (a Bible app) on your phone
  - Sign up for the Verse of the Day
  - for bonus points, look at the Events and follow along with the sermon during worship
- Choose a bible app for your phone that also has a "verse of the day". There are many that are free, such as Bible Gateway and YouVersion. Download it on to your phone and read the verse of the day at least once a week.
- Give thanks to God for at least one thing that happened today.
- Find a Christian radio station you like and listen to the station often.
- When you worship with us on Sundays, commit to reading the Scripture from the sermon and write down any questions to ask the following week. We are always available during our livestream Services on Facebook Live.
