Approved under the Motorized Cart Ordinance

City of Hoschton Low Speed Vehicle Ordinance

On September 2008 the City of Hoschton approved an ordinance that allowed the use of Motorized Carts on approved City Streets within the City limits. The purpose of this brochure is to highlight important facts about the Motorized Cart Ordinance. Remember when operating your cart on the designated streets that you alone are liable for your own actions. The approval of this Ordinance shall not be construed as an assumption of liability by the City for any injuries to a person or property which may result from the operation of a motorized cart by a permit holder or the failure by the city to revoke said permit. Please be sure you understand everything about the Ordinance and your Motorized cart before traveling on the roadways of this City.

Definitions (section 22-101)

Driver is defined as the person driving and having physical control over the motorized cart and being the licensee.

Motorized Cart is defined as those electric and gasoline – powered pleasure carts, commonly referred as golf carts. These are only carts authorized for use under this ordinance.

Recreational Paths are defined as walk areas designed for multi-use and having widths in greater than seven feet. (Future Use)

Authorized Streets are defined as the City Streets that are safe to travel on and across and that fall under the speed limit of 35 miles per hour.
