

*Dear valued customers and friends:*

On March 18<sup>th</sup>, 2020 @6:22pm we received an email from Panhandle Health stating;

- For the next 15 days, beginning March 16<sup>th</sup>, food establishments should have no more than 10 people (and that includes employees) at one time. The President has advised restaurants to offer drive-thru, pick-up or delivery options for their patrons.
- Social distancing of 6' between people at tables/ chairs and bar stools
- Make sure all items are sanitized between guests (tables, table top condiments, seats, etc.)
- Regularly disinfect handles, faucets, doors, toilets, sinks etc. throughout the day
- Have sick employees stay home
- Provide a waste bin outside of bathrooms for people to use paper towels to open the door and then dispose of paper towel
- Use disposable, single service containers for take-out (no re-use of refillable containers)

We were not ready for this. We have been battling the best social decisions vs the best financial decisions, at this time we have chosen to HAVE OUR LAST DAY OF BUSINESS, SATURDAY, MARCH 21<sup>ST</sup>.

Over the weekend, we wanted to ask for your continued support, we are asking you to come down and Tailgate in Harrison to help empty our shelves! Check local businesses websites for hours of operation. Lakeview Lodge (208-689-9789) and Osprey Inn (208-689-9502) have rooms available for overnight stays. *Bring trucks, RV's, parkas and blankets and come hang out in groups less than 6. Enjoy 10% off our logo shop, open air patios with heaters and play at the city park. All of our employees will be on staff to help bump payroll hours before this shut down.*

We appreciate your support so much! Thank you for all the love and encouragement through this difficult time! We will reopen April 4<sup>th</sup>, at this time we will offer take out, curb-side pickup or take advantage of our fresh air outdoor seating.
