Pacific Southwest Minority Supplier Development Council

Serving Arizona and San Diego County

Pacific Southwest Minority Supplier Development Council (PSWMSDC) was established in 1993 as a 501(c)(3) non-profit organization for certifying Minority Business Enterprises (MBEs) and to develop, connect and advocate for supplier inclusion in an organization's supply base.

PSWMSDC would not exist for more than 25 years without your support. We are thankful that each supporting sponsor recognizes that supplier diversity and inclusion is important to the growth and culture of every organization. Your company is at the forefront of supplier diversity, not just internally, but in the community as well.
