

“PREPARE YE THE WAY OF THE LORD!”

FROM THE DRY BONES TO THE BREATH TO THE RESURRECTION!

“FROM THE ASHES AND DRY BONES OF THE HOLOCAUST TO THE BREATH OF GOD THAT NEEDS TO FILL HIS FIRST-BORN CHILDREN, TO THE RESURRECTION OF THE DEAD, AND TO THE GLORY THAT IS COMING!” (EZEKIEL 37:1-14).

A Personal Note

“The Holy Spirit has stirred us towards this mission to reach out to the local Church in the nations; to worshippers and intercessors and 24/7 prayer leaders to impart and release a download of the greater significance of the body of Messiah/ Christ first fruiting our praise and worship into the land of Israel. This is helping to strengthen the spirits call to the front lines of the church, which is in Israel.

In turn, we believe as we focus on helping to strengthen our brothers and sisters in Israel, as well as the spiritual climate there that the Lord will release a greater power back on the nations, and especially the harvest where we live; that in deed these two focuses actually go hand in hand. This is in line with the Gospel's spiritual positioning, to the Jew first and then to the nations, which is the Heart of the Father and The One New Man.

This trip to Israel and Poland is not a tour, but rather a Worship and Watchmen mission to blow this holy shofar and sound the alarm. Would you please pray and seek The Lord concerning this mission?” This year we are excited to have Jong Kim, IHOP KC Missionary join us as an Associate Ministry Prayer Leader.

With lots of love in Yeshua, and for His Glory!

Worship & Watchmen Mission to Poland & Israel

OCTOBER 2020/5781

“I HAVE POSTED WATCHMEN ON YOUR WALLS, JERUSALEM; THEY WILL NEVER BE SILENT DAY OR NIGHT. YOU WHO CALL ON THE LORD, GIVE YOURSELVES NO REST, AND GIVE HIM NO REST TILL HE ESTABLISHES JERUSALEM AND MAKES HER THE PRAISE OF THE EARTH.”

ISAIAH 62:6-7 NIV

The Father's Heart for Israel and the Church

Purpose

In these last days, God is calling His Church in the nations to first fruit back to Israel. Not only towards the remnant of Israel (it's believing body of believers), but also into the Land.

There is a prophetic picture in scripture that can help us to understand this process. Where Moses and Israel were fighting the Amalekites and his arms grew weary. When his hands were raised, Israel prevailed, but when his hands lowered the enemy prevailed. So Aaron and Hur helped to support his arms to keep his hands raised and in this way Israel was victorious (Exodus 17:10-13). This is a picture of the end-time Church reconnecting with Israel's Remnant; to help lift their arms to support and strengthen them in the front lines of the battle in the land of Israel for the Kingdom of God upon the earth and for His holy church.

If you were the devil, and you knew that God was going to set His kingdom up on the earth in the land of Israel, where would you put your greatest opposition? Nothing could be truer, with the spirit of religion over Jerusalem and the spirits of the world over Tel Aviv, with the intensity of their strongholds throughout the land of Israel.

In this light, the Body of Messiah/Christ in Israel (Jews, Arab and other Gentile believers), is in great need of our help and support. To release greater praise and worship from His children from the nations into the land to help clear the spiritual skies; to connect with the existing 24/7 prayer and worship houses already in Israel. This is a vital connection for His end-time church; and for the 24/7 Worship and Watchmen focus arising in the earth to fully recognize this call to send in re-enforcements, as missions into the land.

Mission

This year the mission will start in Poland visiting the Polish Museum for the Jews, Schindler's Factory, Auschwitz and Birkenau Concentration camps, a HOP in the same area, and The Fountain of Tears Memorial.

In Ezekiel 37, there is an obvious connection between the ashes, the dry bones of the holocaust, and the breath and the Resurrection of the Jewish people. Through our mission this year in 2020/5781 we hope and pray to be intercessors for this purpose in the Heart of God.

We will then travel to Israel for 10 days of Prayer mission visiting and praying with Jewish and Arab prayer ministries each day. Plus, so much more as the Holy Spirit leads us.

If you have never been to Israel, there will be time in Jerusalem to see the city and certain relevant sites. Although it is important to point out that this is not an historical tour; and that if you are wanting this more, this is most probably not the right trip to Israel for you. However, we will worship on the Galilee, be baptized in the Jordan and float on the Dead Sea, as part of the mission's trip.

Mission Approach

We think it is important for our local Churches and Congregations to get involved to support you in this vital Praise and Prayer mission to Israel; to help raise the financial support; and to become a part of the first fruits offering by sending you as it's representative. And we would encourage you to reach out accordingly (Mission support letters are available upon request).

Blessing the Jerusalem Church

God has also put on our hearts to ask all of our Churches, Congregations and local Ministries that are involved with this mission to raise additional offerings for "The Jerusalem Church," as Paul did in the first century, as The Holy Spirit would lead them (Romans 15:25, 26). In this case, to bless the individual prayer ministries abundantly when we will visit them in the land. 100% of of these offerings will be given to these prayer houses and divided equally between them.
