MESSAGE FROM
THE EXECUTIVE DIRECTOR

“Our coalition moves into 2020 in a position of stability, clarity, and cohesion. We are ready to face the challenges of a new decade, and we look forward to realizing the promise of justice and safety that centers our work.”

MISSION STATEMENT:
The Louisiana Coalition Against Domestic Violence (LCADV) is a statewide network of programs, organizations, and individuals who share the goal of ending domestic violence in Louisiana. LCADV empowers its members and communities through advocacy, education, resource development, and technical assistance.

VISION STATEMENT:
LCADV is dedicated to bringing about change in our institutions, laws, politics, attitudes, and beliefs which will allow individuals to live free of violence.

As the Louisiana Coalition Against Domestic Violence welcomes 2020, we look forward to beginning a new decade with clarity of vision and a rededication to our purpose of ending domestic violence. At the publication of this report, 2020 has already brought unprecedented challenges. However, we are pleased to reflect on 2019 and the progress we’ve made on our journey toward peace and justice for Louisiana families.

In 2019, LCADV trained over 1,720 people at 68 training events—more than one per week. We provided 385 hours of technical assistance to improve responses to domestic violence across our state. These are a few of the concrete measures of our success, but 2019 also saw the completion of meaningful work, with impacts truly immeasurable. LCADV embarked on important internal work to center and amplify the voices of survivors who experience marginalization and oppression across the many systems they navigate. We conducted a lengthy and detailed process of assessing unmet needs of survivors in our state, we revitalized and reinvented our coalition’s caucus structure, and we overhauled and reinstated our state’s quality assurance process for domestic violence programs.

Our coalition moves into 2020 in a position of stability, clarity, and cohesion. We are ready to face the challenges of a new decade, and we look forward to realizing the promise of justice and safety that centers our work. We have exciting projects on the horizon; work designed to meet some of the most pressing needs of survivors in our state, from legal assistance to housing to economic stability. We accomplished a great deal in 2019 with the support and hard work of our coalition staff, members, and allies. We look forward to the many great things we can accomplish together in a new decade.

Sincerely,

Mariah Wineski
MESSAGE FROM THE BOARD PRESIDENT

“Together, we are committed to ensuring the success of LCADV as we move forward with clarity, focus, and purpose towards our ‘20/20 vision’ and mission of ending violence against women and children in Louisiana.”

I am honored to have this opportunity to share with you that the Louisiana Coalition Against Domestic Violence (LCADV) has had a remarkable year. This past year was celebrated for its growth in leadership, support, and collaboration. A highlight of the year was Louisiana’s response to domestic violence being featured in Amnesty International report, “Fragmented and Unequal.” This report, as well as a recent statewide needs assessment conducted by LCADV, provided findings and recommendations that were already cited as LCADV’s top priorities in ensuring that we are providing the best response to survivors’ needs through advocacy, education, and systematic change.

As 2020 approached, I heard the New Year referred to as a “Year of Vision” playing off the concept of 20/20 vision. “20/20 vision” is used to describe normal visual acuity, or how one sees things. 2020 is a time to look to the future! LCADV is doing just that as we look to the future with a clear vision: a vision with clarity, focus, and purpose.

LCADV has several programs that are quickly bringing its vision into focus, especially around those identified in the 2019 Needs Assessment, such as housing, legal representation, and mental health services. With the implementation of its Legal Access Network (LAN), LCADV will now be able to contract with qualified attorneys to provide civil legal representation for survivors across the state. This is vital to ensure survivors have access to appropriate legal support needed to secure and maintain their safety. For the first time in over 10 years, LCADV will partner with Louisiana Department of Health to conduct a statewide Domestic Violence Fatality Review with the purpose of preventing deaths in the future by improving victim safety and increasing perpetrator accountability.

I am grateful to the advocates and member programs that walk alongside domestic violence survivors through their daily journey and the LCADV staff for their tireless efforts in providing innovative resources to our programs and collaborative partners around the state. I am truly energized working alongside the board of directors who each bring their own expertise to ensure we remain focused on our vision. Together, we are committed to ensuring the success of LCADV as we move forward with clarity, focus, and purpose, towards our “20/20” vision and mission of ending violence against women and children in Louisiana.

Sincerely,

Pam Guedry

LCADV saw a significant increase in resource requests, orders, and inquiries from our member programs and community allies. In 2019, we distributed a total of 62,912 resources.

LCADV had a very successful legislative session in 2019. After several years of hard work and dedication from advocates across the state we helped pass Act 12, creating the crime of interference with emergency communication. We also supported legislative efforts to end the use of material witness warrants to incarcerate victims of domestic abuse.

LCADV revamped its coalition structure with the assistance of our Caucus Revamp Committee. Roundtable groups focus on addressing the unique issues facing survivors from marginalized or underserved communities specifically Women of Color, LGBTQ, Formerly Battered Women, Children’s Advocacy and Rural Advocacy roundtables.
