SPECIAL READING
CONNECTIONAL LAY MINISTRY DAY 2021
LAITY EMPOWERED BY THE GREAT COMMISSION

God has placed each member of the church in a position of service for the building of the kingdom and our charge is to go forth and make disciples.

Even though we may sometimes get tired or go astray, when we do, as Christians we hear a voice that is quite clear saying to us, don’t quit, for I am always near. When we think of the blessings we receive we should, as Laity, go down on our knees and say a prayer, giving thanks because Jesus cares; we should remember the ultimate sacrifice that He gave so that we could be saved.

God asks so little of us in return for his blessings, therefore, we should not be ashamed to answer when He calls, by saying, here am I, send me; for we promised that we would follow Him. So, on this special day, men and women, young and old, wise and weak, let’s celebrate our beliefs and reaffirm that **SERVANTS ALL ARE WE, EMPOWERED BY THE GREAT COMMISSION TO IMPACT EVERY GENERATION.** . . . We have a responsibility to proclaim his message to all so that none will be lost, and souls will be saved!

Because of our faith and obedience to do God’s will, may others come to know Jesus the Christ and be spiritually healed and see the Great Commission become a reality.

We earnestly pray for the strength to carry out the task In the name of Jesus; this is all that we ask! Amen.
