

## **Sustainable Building Manitoba**

### **Membership Policy**

Adopted: November 26, 2015

#### **Background:**

Section 5 of the Organizational By-law states:

The types, requirements and terms of membership shall be established in accordance with the Membership Policy as determined by Ordinary Resolution of the Board.

#### **Membership Policy:**

1. There shall be two types of membership – Sustaining Member and Student Member.
2. The membership fee shall be \$50 per year for a Sustaining Member and no cost for a Student Member.
3. A Student Member can be of any age and be considered a full time student by the educational institution they are attending.
4. Sustaining Members shall receive two event passes per year at no additional cost.
5. Upon attendance at two events in a year, a non-member would be offered a Sustaining Member status (does not include event passes).
6. The membership renewals shall be 12 months from the anniversary date of renewal.
7. Non-member rates for events shall include a 20-25% premium.
