

## **Protocol for Scrimmages and Games at Weston Parks**

All visiting teams and coaches playing at Weston parks will be required to fill out the Weston FC COVID-19 Questionnaire Form which includes the taking of temperatures within one hour prior to arrival at the field. This form can be retrieved on our website under Return to Play. These forms will be collected by the opposing Weston team coach and catalogued for contact tracing purposes. Players and coaches who do not fill out the form will not be allowed to play or coach. At Weston parks, spectators will not be allowed to be on the sidelines or in the bleachers in order to minimize any potential exposure and for the safety of the players. All spectators must practice social distancing and we recommend the wearing of masks.
