Thank you for choosing
Blue Ridge Pediatrics!

Our board certified Pediatrician and Practitioners provide professional, personalized care for newborns, children and adolescents. Know that your child will receive unrivaled pediatric medical care. Our dedicated staff offer same day appointments for sick children. We provide preventative well child care in accordance with the latest American Academy of Pediatric guidelines. Thanks to your input, we are constantly making improvements. Come see why so many have made Blue Ridge Pediatrics part of their family.

DR. GULLY

Dr. Carey Molin Gully, MD, FAAP Board Certified in Pediatrics

Dr. Gully was born in Six Mile, SC. She graduated from Daniel High School in 1995. Dr. Gully attended Clemson University and the University of Newcastle in Australia. After graduating Magna Cum Laude in three years from Clemson's Honors College with a degree in Food Science and Nutrition, she moved to Charleston, SC where she received her medical degree in 2003 from the Medical University of South Carolina. During medical school, she spent two months working in a pediatric ward at a small district hospital in Ghana, West Africa. Dr. Gully completed an internship in Combined Internal Medicine and Pediatrics at Greenville Hospital System. She graduated from the pediatric residency program in 2006 and moved to Seneca to practice. In 2009, Dr. Gully purchased the practice and began Blue Ridge Pediatrics. Her special interests include asthma, autism, sports medicine, pediatric obesity prevention and the medical home initiative. Dr. Gully was an internationally competitive gymnast before becoming a diver on Clemson's Swimming and Diving team while in college. She is married to David Gully who is a custom home builder in the area. They have a daughter and son. She enjoys travel, running, scuba diving, paddle boarding and all water sports. You will find her in her favorite place while not at work...OUTSIDE with her family.

OUR PROVIDERS

Natalie Dixon, MS, PA-C

Natalie joined Blue Ridge Pediatrics in the summer of 2015 after moving from Charleston, SC. She attended UNC-Chapel Hill, and received her Masters in Physician Assisting from the Medical University of South Carolina, in 2007. Prior to working with Blue Ridge Pediatrics, Natalie worked at Wimauma Family Health Center caring for migrant workers in Florida, Clemson-Seneca Pediatrics, and the Child Abuse Pediatrics division of MUSC, in Charleston. She has a special interest in adolescent medicine, breastfeeding/lactation, weight management, and early literacy. Natalie and her husband traveled to Guatemala to adopt their 1st child, Jude. Since that time, they have had another son and daughter named Ben and Amelia. They love attending sporting events together, listening to live music and traveling. Natalie is dedicated to keeping our patients healthy. We are thrilled to have her as a part of the Blue Ridge Pediatric family.

Rachael Dorsey, MS, APRN, FNP-C

Rachael is a board certified Family Nurse Practitioner. She graduated from Clemson University with a degree in Nursing in 2015. In 2018, Rachel graduated with honors from Clemson University's Nurse Practitioner program. Rachael worked as a nursing assistant in the Emergency Department at Anmed Hospital before returning to school to become a Nurse Practitioner. While enrolled as a full time student in Clemson's Nurse Practitioner program, Rachael worked full time as a nurse in Anmed Hospital's Med-Surg unit. She worked Friday, Saturday and Sunday 12 hour shifts and managed to maintain a 4.0 GPA. Rachael was a graduate teaching assistant for Clemson's Joseph F. Sullivan Center Mobile Health Unit. As an employee of the Sullivan Center, Rachael also practiced at the Clemson Free Clinic, Walhalla Health Department, Hillcrest Hospital, and Samaritan Health in Easley. She lives with her husband, Austin, in Anderson, SC. She is an avid Clemson football fan, has a passion for coffee, and spending time with friends, family (including her 8 nieces and nephews), and her fur-children.
