THANK YOU FOOD N' FRIENDS VOLUNTEERS!
Hats off to Veronica Clark (farthest left) for her kind leadership & generous spirit at the Wednesday kitchen.

FOOD N’ FRIENDS

Daily Kitchens. February 8, 1985 was opening day for the first Food n’ Friends soup kitchen. Today six kitchens serve over 19,000 meals annually in Attleboro, Mansfield, North Attleboro and Seekonk. They are open six days a week, all year long to provide hot meals to those in need. The food served is home-cooked and comforting familiar for the homeless, elderly, disabled and unemployed. The guests are welcomed and emergency meals served – all you can eat.

Family Cafés are designed for food-insecure children and low-income working or unemployed families. A confidential, safe, child-friendly meal with fun activities and positive assistance helps empower and build relationships. By aiding these families in connecting with community and resources, the Family Cafés also prevent family homelessness. With three opportunities to attend each month, the Family Cafés serve over 1,500 meals annually in Attleboro to families with children younger than 18-years-old.

Kids Summer Cafés. When school gets out for the summer, there is a sudden increased need for food in households already experiencing poverty. Kids Summer Cafés were specifically designed to meet this need by bringing food to where kids tend to congregate – parks. Volunteers prepare and transport free, healthy lunches to five local playgrounds. We served 3,500 bagged lunches last year in Attleboro, North Attleboro and Norton.
Thank you for your support of Food n’ Friends and the people we serve. We are indebted to the individuals, houses of worship and local businesses who share their time, talent and treasure with us.

Please consider supporting us tonight at one of the following Donation Levels. Here’s what we can do with your generous gifts:

$1,000
- WE CAN REPAIR AND REPLACE ESSENTIAL APPLIANCES AND EQUIPMENT
  - The freezer at First Baptist Church in Attleboro recently broke. When something like this happens, Food n’ Friends needs to be ready quickly to repair or replace the unit. At the Thursday Kitchen, we also needed to replace the food.
  - Wear and tear is inevitable in our kitchens and commercial grade equipment is quite costly.

$500
- WE CAN SUPPORT THE SALARIES OF OUR 4 PART-TIME EMPLOYEES AT THE ATTLEBORO AREA INTERFAITH COLLABORATIVE
  - Food n’ Friends, the largest program of the AAIC, is the leading provider of emergency hot meals in the Greater Attleboro Area. Our lean organization, fueled by a network of 500 volunteers, helps move our guests from hunger to hope.

$250
- WE CAN BUY A NEW CULINARY KNIFE SET AND GET CHOPPING
  - All 6 of our Daily Kitchens, along with the 3 Family Cafés, could benefit from a high-quality set of knives. Preparing more than 20,000 meals/year takes a toll on our cooking utensils.
  - Cost of the Mercer Culinary M21860 Renaissance 10 pc. Forged Knife Case Set = $240

$100
- WE CAN HELP PAY FOR 1 MONTH OF FOOD TRUCK RENTAL
  - Food n’ Friends rents a Penske truck for ~$170/month and ~$2,000/year.
  - The truck is used to pick up our monthly food order from the Greater Boston Food Bank. It can be 1,000+ pounds of food.

$50
- WE CAN FEED 15 CHILDREN AT OUR KIDS SUMMER CAFÉS
  - Summertime brings a hunger crisis for families in our area already experiencing poverty. Last summer, we served 3,500 bagged lunches to children in five local playgrounds.

$25
- WE CAN FEED 15 GUESTS AT OUR DAILY KITCHENS
  - At under $2/meal at our kitchens, your kind donation helps so many in our community.
