

PREPAID PIZZA PROGRAM FOR 2019-2020

All proceeds to benefit our Youth Group

Wednesday nights, from 6:00 PM to 6:45 PM, the Youth Group sells delicious cheese pizza, drinks, and yummy snacks in the Temple lobby as a fundraiser. The best part is, it only costs \$1.25 a slice or \$1.00 for most snacks or drinks (for Pre-paid only!) Not only can your child purchase these items each week, but you have the opportunity to prepay for your child's food, by signing up for our prepaid program. **Pizza will be \$2.00 if you choose not to purchase a Pre-paid plan.**

The prepaid program guarantees your child's food in the amount that you select for each of the **31 sessions**, starting **Wednesday, August 28th**. The advantage of having the pre-paid is option is that your child is guaranteed his or her snack that evening without worrying about running out.

We have three options for our prepaid program listed below. These are the **only** prepaid options available, please do not ask us to customize your option.

To enroll your child in the prepaid program, fill out the attached form and return the form **by Sunday, August 25th** along with a check made payable to '**TSS STARY**'. Please make sure your form and payment are marked ATTN: Youth Advisor.

In addition to helping support the youth group's fundraising efforts, a major benefit the prepaid program provides is the knowledge that your child's food is being saved specifically for them. There are times when we do sell all of our pizza before everyone has gotten some. If you have any questions, please email youth@templeshaareishalom.com.

Parent(s) Name: _____

Child's Name (First and Last): _____ Grade: _____
