Aviston Elementary will be hosting a Census Night
Wednesday, April 8th from 2:00 - 7:00 p.m.

We will have computers set up in the cafeteria where anyone can come and complete their census information. We will have staff on hand to help you!

We would like to see a complete count in Aviston. Federal funding determined by the 2020 Census will support Head Start programs, nutrition services, Medicaid, and other services for children and families. Since the census is conducted only every 10 years, missing one child means missing out on federal funding for that child for the next 10 years!

I'm here. I count. I matter.

Scrip Orders

The PTA will submit a scrip order again this month. If you would like to order, please submit all orders to the office by March 15th.

Fun Day Shirts

Order forms for Fun Day shirts will be going home soon. Please be on the lookout.

Technology Auction

The PTA would like to express our gratitude to everyone that volunteered and helped make the 2020 Technology Auction a HUGE success!! Thank you to everyone who donated items to our auction. We could not have done it without you!!
