Sanctuary of Hope plans Black Narrative Series at the Wilfandel House with former Stockton Mayor Michael Tubbs

LOS ANGELES - Sanctuary of Hope, a local nonprofit youth development and human service organization, will convene its Annual Black Narrative Series event, “One-on-One with Michael Tubbs.” This event will be held on Friday, March 18th, 2022 from 5:30pm-7pm at the historic Wilfandel House at 3425 W. Adams Blvd., Los Angeles, CA 90018. The conversation will also be livestreamed at www.facebook.com/sanctuaryofhopeLA

This event will be an intimate conversation with Michael Tubbs, the former Mayor of Stockton, who will discuss his latest book, “The Deeper the Roots,” with insights about his journey, strategies to increase millennial leadership in politics, how to advance common issues regardless of party representation and what’s required now for systemic change. The conversation will be moderated by Dr. Anthony Samad, Executive Director of The Mervyn M. Dymally African American Political & Economic Institute at California State University Dominguez Hills.

“The Black Narrative Series was designed to curate critical social justice conversations on agitating, healing and wellness. As the Sanctuary of Hope continues to dig deep to understand the importance of advocacy and policy to improve conditions that connect many young people in crisis or those who long for leadership development, we have found Michael Tubbs’ work to be a blueprint for solutions,” stated Janet Kelly, Executive Director of Sanctuary of Hope. “We are excited to engage with Mr. Tubbs and hear more about his bold moves around guaranteed income, education investments, violence deterrence and other critical issues.”

The Black Narrative Series is a free community event with limited seating. Dinner will be served and books available on-site through Eso Won Bookstore. To attend in person, RSVP at www.thesoh.org. COVID protocols will be in place. Enroute to the event, drive by the Sanctuary of Hope headquarters on Adams and 10th Ave and check out their incredible social action yard highlighting Women’s History Month.
