

Dear Parent/Carer.

Closure of Moat Community College to some year groups due to staff shortages

Unfortunately, we have had to take some significant decisions around how we will manage the school in the coming weeks. We are experiencing significant staff shortages. This is because staff are having to take time off because they have underlying health conditions or they need to self-isolate.

From tomorrow we year 7, 8 and 9 will be educated at home and will not come into school. The closure for these year groups will be until the 27th March, in the first instance. If it is to be extended you will be contacted next week with the updated information.

Year 10 and 11 should attend school as normal.

We are working hard to organise on-line learning for years 7, 8 and 9. You will be contacted in the coming days, with details of how this will work.

Thank you for your support at this very difficult time.

Yours
