

## **Connect Church – Reopening Guidelines**

**Revised 6-11-20**

We are excited to have resumed inside worship services. Even though we hope to return to some sense of normalcy, there will be some changes to our services and procedures to help ensure the safety of our entire congregation. We thank you for your patience and understanding during this time.

- Our Sunday morning services, as well as Wednesday morning adult Bible study (in the worship center) and Wednesday Evening Children and Student ministries have now resumed.
- Sunday worship services will be 8:30am (traditional) and 10:30am (modern).
- We will provide live streaming of our 10:30am service on our website for those who do not yet feel comfortable coming out to gather in public. You can view on Sunday mornings at [www.icconnect.church](http://www.icconnect.church)
- We ask that people social distance as much as possible from others who are not a part of your household family.
- We would ask to please refrain from physical contact such as handshakes, hugs, or being too close to people's faces.
- Please feel free to stay at home if you do not yet feel comfortable coming to church, or if you are sick or displaying symptoms such as cough or fever.
- Masks are welcomed and encouraged, especially for our older members, but not required.
- We are also resuming Sunday morning nursery, toddler, and children's ministries for our 10:30am service, but we ask parents not to send their children if they are showing any signs of fever or cough.
- Because the size of our classrooms do not allow for good social distancing there will be no Sunday School on Sunday mornings. Classes may choose to meet at another time on Sunday afternoons in the worship center if they would like to.
- There will be no passing of the offering plates, but offering plates will be placed at the worship center doors and you may give as you exit the service.
- All surfaces, door handles, and restrooms will be cleaned before and after each service. Hand sanitizer will also be available all around the building.
