The Moore Family

July has been another exciting month of deputation. We have traveled from upper New York to Alabama, with stops in North Carolina, Tennessee, and Georgia along the way. God has blessed with many wonderful meetings and getting to know some very special people. The first Sunday of the month was a blessing as we were able to be in a meeting with our son, Ethan. He presented and taught Sunday School and we presented and preached in the morning worship service. He did an outstanding job! We miss ministering together with our family. There is nothing like working together, and nothing more encouraging than working together as a family. But they are all growing up and starting their own families now, working in different ministries and places. God is using each of them in an amazing way to serve Him and to impact lives.

One of my favorite verses is I John 4, "I have no greater joy than to hear that my children walk in truth." I always laugh when we are together, which isn't very often, and tell them that God is preparing them for the mission field...of Utah 😊. Seriously, our desire has always been for God to use them for His glory, wherever He desires for them to serve, at home or abroad.

We had a few more churches contact us concerning taking us on for support this month, and one took us on during the service. Amen!! Each meeting and each month we get a little bit closer to the place God has led us to. Please remember us throughout the month of August as we will be on the road quite a bit with a few long trips.
