A qualified elector is any person who is a U.S. citizen, 18 years of age or older, who has resided within the municipality for at least 10 days before the caucus. A candidate may be nominated for more than one municipal office. There is no requirement that a candidate be a registered voter in the municipality." "Nominations will be conducted with one position at a time. Each nomination taken from the floor must receive a second. After each nomination is made and seconded, the caucus chairperson will ask, 'Are there any more nominations?' and once there are no more nominations, the caucus chairperson will announce, 'Nominations are closed.' for each position. "If more than two persons are nominated for a position, a vote will be conducted at the caucus to reduce the number of candidates to two. If a vote is required, the caucus chairperson will announce the names of all candidates. Each elector at the caucus is entitled to vote for one candidate.
