COVID-19 Re-Opening
Lessons

We are very happy to announce that GEC is now open for boarders, leasers and lessons with limitations as of **Monday May 18, 2020**.

In order to re-open safely and within the parameters of the executive orders, the limitations, rules, and appropriate waivers can be found here;

<https://grahameq.org/covid19/>

Please thoroughly read the rules and limitations and contact your instructor or a staff member with any questions. All limitations are being evaluated day-by-day on a case-by-case basis and are frequently updated. We plan to continue expand our offerings as it becomes safe to do so. We appreciate your patience.

Persons that are observed not adhering to the COVID-19 or leasing calendars, not practicing social distancing and/or not wearing masks when appropriate will be asked to leave the premises.

We hope to get you all back in the saddle soon.

Thank you, and stay safe!

For the joy of horses.
