

READATHON

The McKenzie Read-a-thon is here!! We can encourage our children to read while also helping our school. Their teachers have handed the students two forms to bring home.

The pledge form attached is the main one to be used. Your child can collect donors anytime now and through the duration of the read-a-thon. These donors can either provide a flat rate or pledge money for minutes read (ex. Can just donate \$10 or \$0.10 cents for every minute read). March 1st – 14th, the children will read and track their time/minutes. The second form attached is a time tracker for the students to track their minutes read.

After March 14th, the students can collect their money from their donors and add up total dollars collected. Please submit during the week of March 15th, a one time payment of the total amount collected. You can pay by check payable to McKenzie PTA or the **preferred method** of paying by credit card on the PTA website.

The top reader (reads the most minutes) in each class will receive a free two topping small pizza coupon to Lefty's pizza and get their picture taken to be put on the main bulletin board.

Also, the top class in each grade that reads the most minutes for the total class (will be prorated based on class size) will receive a class party. The teachers and students will help choose the party (ex. crazy hair day, pajama day).

Please encourage your children to read, that is the main goal for all the students!!

Thank you for participating. Please reach out to Julie Gustafson (jmgus81@gmail.com) with any questions.
