Toronto Section – Here for you across Ontario

Advanced Driving School @ Canadian Tire Mosport Park

2015 Information Sheet

The Advanced Driving School is being held in cooperation with the BMW Trillium Club at the Canadian Tire Mosport Park aka Mosport just north of Bowmanville Ontario. It is called “Advanced” as it is much more comprehensive than a typical one day “Safe Driving” event and is open to all from Novice to Expert and all brands of vehicles. Starting at 7:30am Saturday with registration and the track safety briefing and followed by a weekend filled with alternating class room and track sessions. You will be assigned to a group based on your formal experience and are matched with an experienced instructor for the whole weekend. If opportunity and need arises the teacher may take you through one of the sessions in their track car.

Registration is initiated by registering on the BMW website and emailing us such that we can attend to the process for the MBCA members.

1. Go to <http://www.trillium-bmwclub.ca/user/register> and create a new account registration.
2. Then email us a request for joining your selected event or package including: your name, email and phone number you used above, your MBCA membership number, the weekend/package, the make and model of the car and your previous experience to mbca@spitzerinc.com.
3. We will then coordinate that your account gets activated and an PayPal invoice will be sent to you. The settlement does *not* require you to have a PayPal account.

While it would be great to take your Mercedes-Benz on the track it is not a prerequisite. A Tech safety inspection of the car is mandatory. Mosport is one of the fastest tracks in North America and you will certainly enjoy the performance aspects and it is a great experience and a great satisfaction to learn to skillfully take your car through technical corners and elevations as much as flat out on the long uphill straight!

The Events:

- April 25, 26 2015
- June 13, 14 2015
- September 5,6 2015
- October 3,4 2015
