Get placed in a room and try to escape within 60 minutes!

The Ultimate Escape rooms are a great social activity for corporations while creating a more cohesive and stronger team. Our rooms will help improve communication, develop teamwork skills and inspire staff through a fun but professional work environment.

Our games are a fabulous experience for families, teams, and friends alike.

We also have a party room that can be reserved for pre or post game discussions, birthdays, anniversaries, bachelor/ette parties or celebrations of any sort.

We can accommodate groups of up to 58 in these five games.

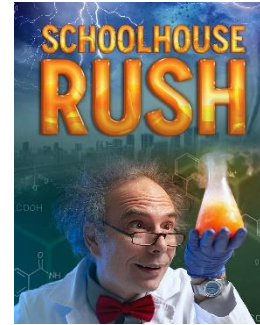

Great Aunt Gertrude's house is about to be demolished and all of her wealth is inside. Can you and your team find all her gazillions and escape before the wrecking ball hits?

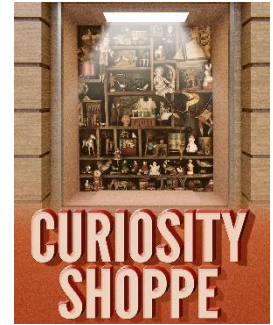

The Evil Villains have planted two satellite-connected nuclear dynamite bombs! Can you and your super hero team disarm the bomb before the world is destroyed??

You are trapped in a serial killer's terrifying torture chamber. He has left for supplies and will return in 1 hour! Can you escape? Your life depends on it!
