

LOAN PROCESS FLOW CHART

WHAT TO EXPECT DURING THE HOME MORTGAGE PROCESS

STEP 1

Pre-Qualification

Start out on the right foot. Provide financials to your loan officer to review your information and make a pre-qualification decision.

STEP 2

Loan Options

After you have received your pre-qualification you can discuss your financing options with your loan officer.

STEP 3

House Hunting

If you haven't already done so find a realtor to work with. Find your home, make and negotiate an offer on the house.

STEP 4

Home Inspections

With your accepted offer it's time to schedule the necessary home inspections.

STEP 5

Loan Application

Send Keystone Alliance Mortgage any requested documents. Its time to make the official mortgage application.

STEP 6

Electronic Signature

Loan disclosures will be sent to you via email. DocuSign all items in the application package.

*Don't forget to **acknowledge the loan estimate (LE)** sent via email as well.

STEP 7

File Processing

This is where we our team really gets moving:

- Title work is ordered
- Appraisal is ordered
- Loan Processing

STEP 8

Underwriter Review

At this point the loan underwriter reviews the mortgage application and all documents. **Additional conditions** may need to be met.

*Please provide requested documents within 24 hours.

STEP 9

Cleared For Closing

Once loan conditions are met the underwriter will issue a clear to close.

STEP 10

Schedule Closing

The attorney or title agent will typically schedule with all parties a closing day and time.

*Be sure to DocuSign the disclosure package sent out via email.

Attend your closing and then celebrate.

CONGRATULATIONS!
