

MOUNT VERNON CITY SCHOOL DISTRICT

Mount Vernon, New York

F&A was retained by the Mount Vernon City School District to prepare SEQR documentation for the acquisition of property for four (4) district schools, Traphagen Elementary School, Nelson Mandela School, Pennington School and Cecil F. Parker School, as part of its *Vision 2020* School District Improvements Plan. F&A prepared four (4) separate Environmental Assessments for the acquisition of nine (9) properties and the construction of a temporary playground at the Parker School. F&A also prepared addenda supporting the Board of Education's Determination of No Significance which examined the zoning, land use & public policy, community character, transportation, energy, water, natural resources and human health impacts of the Proposed Action.

Pennington School: 4 Properties to be acquired off of Orchard Street.

Clockwise from top left: View west on Orchard Street; property to be acquired currently in use as commercial nursery; pedestrian access from Orchard Street to Pennington School.
