2020 Congressional Candidates				
Candidate by District	District	Party Preference	Likelihood to Support Family Rights	Statement
<b>DISTRICT 1</b>				
Suzan DelBene	Congressional District 1	DEMOCRATIC		
Jeffrey Beeler, Sr.	Congressional District 1	REPUBLICAN	Likely	Parental Right to make decisions for myself and my family without the state mandating medical interventions or making them necessary to be able to participate in society. I believe that the government should not force health decisions on you or your family. School Health Curriculum - Parental Right that delicate topics including Sexual Education be taught in the home and not in a school setting. Vote to Reject R-90. SB5395 is the sexualization of our children and should be stopped. Homeschooling - Parental right to educate children as they see fit and minimize regulations around homeschooling. My family is a homeschooling family. We chose this to have parental oversight and to make sure our children were being taught by utilizing our faith in our teaching.
