Official Flag Retirement Boxes

“When a flag is so worn it is no longer fit to serve as a symbol of our country, it should be destroyed by burning in a dignified manner”

Please bring your faded and torn flags to the upcoming community events and place in a retirement box. These flags will then be properly retired by VFW Post 6393.

It doesn't take long for these abandoned emblems of liberty and American pride to become simply torn flags.

The next time you pass an American flag, take a couple of seconds to check out the condition of the flag. We can make America a better place - one flag at a time.

Americans love seeing a vibrant American flag!
