

2021 Schedule

Utilizing past feedback along with responses from our surveys we were able to come up with a schedule that suites the needs of most. This year you will see many opportunities for open swim, we have extended our baby pool hours, we have added additional classes, changed the way we operate lessons, and we have added long course swim time. In addition, we have provided you with a schedule so you can see what is available at any given time. The biggest thing we have improved is our communication to you through constant contact and community pass, please know we will be sending frequent email, posting to our social media, and posting on our website. If you do not have access to any of these things you can always call us 267-274-1105.

For example:

- If the slide is closed, you will know about!
- If lessons are happening, you will know about it!
- If there is a swim meet, you will know about it!

We look forward to seeing you this year!

Sincerely,

The Lower Makefield Township Parks and Recreation Staff

Special Notes:

- **Different amenities are open at different times. Please see the below schedule for what you like. Are you a lap swimmer? Check out the Lap schedule. Are you just coming for fun in the sun? Check out the Open Swim Schedule. Do you want to take a class? check out the class schedule. You will be happy to see we are offering more hours of fun than we ever have before.**
- August 28th Community Day 10:00PM- 6:00PM Pool Hours
- September 5 Labor Day 10:00AM-6:00PM Pool Hours
- The Pool is closed every day from 3:00PM-4:00PM
WHY?
 - There is a nationwide lifeguard shortage, this affects our pool too. Fortunately, we have been able to keep the pool open with expanded hours. The way we are doing this and staying safe is by allowing our lifeguards who are working long shifts to take a break during the 3-4 closure. This year we are short 14 lifeguards in comparison to 2019.
 - We are also using this time for training of our lifeguards as they are required to continue education throughout the summer. Staff hours start as early as 6:00AM and leave around 9:30PM. Since we are low on staff and have expanded hours and programming, this is an opportune time to train the staff.
 - For additional time to clean thoroughly. Tables, Chairs, Trash, Bathrooms, Skimming, Vacuuming.
 - To allow people to cycle through and maintain a lower capacity throughout the day.

Open Swim (Unstructured)

These are periods of time in the schedule when free time for our members is available.

LMT Swim and Dive Team

There are certain times where the swim team has the pool reserved for practice or meets, the practice schedule does not interfere with this schedule. The swim and dive team will have a few in person meets at the pool. There will be limitations to how many people are in the pool at any given time with a plan to keep people out of the pool area to reduce their impact on the overall capacity. We are sharing the home meet schedule with pool members so you are aware of when they will be in the pool. For more information about the LMT Swim and Dive team visit

<https://www.teamunify.com/team/reclblmtd/page/home>.
