BCRPVPA

Purposes of the BCRPVPA:

- to maintain an active affiliation with the B.C. Principals' and Vice-Principals' Association
- to promote the interests and the welfare of its members
- to communicate with members regarding issues of common interest and the activities of the Association
- to encourage and foster liaison among Association members and Principals and Vice-Principals

The BCRPVPA maintains an active affiliation and relationship with the B.C. Principals' and Vice-Principals' Association. Observer status at their Chapter Council meetings enables us to remain current regarding educational issues in B.C. We are appreciative of the support of the BCPVPA and the use of their building. In addition, we endeavor to maintain contact with other organizations to keep informed about issues affecting retirees.

Meetings are held four times a year at the BCPVPA office in Vancouver. When possible, one of these meetings is held at another Lower Mainland location. Meetings begin at 09:45 and consist of a business session, a speaker and a no host lunch.

Scholarships

Each year, the BCRPVPA offers up to five scholarships/bursaries of \$1000 to deserving students graduating from B.C. secondary schools, and who are continuing their education at an accredited B.C. educational institution.

Fees

The annual fee for membership is \$20.00 per year and is deducted annually from the July pension payment or by personal cheques.

Membership fees support scholarships; communications; website maintenance; technical licences; photocopying.
