

## ABOUT US

This mentorship is coordinated through the U.S. Agency for International Development's Strengthening Entrepreneurship and Enterprise Development (SEED) project in partnership with the Technology Innovation and Entrepreneurship Center under the Women Entrepreneurs' Network.

This project has trained 25 women mentors who have expertise and experience in a variety of fields. If you are a female entrepreneur and/or female-led startup, these women are ready to mentor you!

**Deadline is October 5, 2019**

*Looking for a mentor to guide and advise your startup?*
