ISWEP PRESS RELEASE: Prairie Hill Co-Housing Development Receives Honorable Mention Stormwater Award

The Iowa Stormwater Education Partnership (ISWEP) is pleased to announce that Prairie Hill Co-Housing Development in Iowa City received honorable mention for ISWEP's Annual Stormwater and Urban Watershed Development of the Year Award. The award was announced at the Virtual 2020 IStorm Conference on October 28-29, 2020. Prairie Hill is being recognized for their foresight and implementation of green infrastructure in a new development that includes clustering of homes, designated green space, a bioretention cell, soil quality restoration, native turf and rain barrels. They are commended for their commitment to improving local water quality.

Sincerely,

A handwritten signature in cursive script that reads "Patricia A. Sauer".
