OLD BUSINESS
A. For discussion and potential action: Tentative Town Budget and Appropriation Ordinance for 2016-17
Supervisor Feiger noted that the only changes to the tentative budget in the Board packets were those agreed upon at the March meeting. Clerk Scott reminded the Board that the Public Hearing on the Budget would be held May 17 at 7 pm., followed by the May Board meeting.

NEW BUSINESS
A. For discussion and potential action: Disabled Residents’ Aid report and approval of committee recommendations
Supervisor Feiger reviewed the recommendations provided by the Accessibility Committee (attached) as prepared by Kristen Scott. Applications included a request for funding towards construction of a wheelchair ramp at the home of a 79-year-old woman; and special education summer camp tuition for a 16-year-old with autism. The committee recommended funding both applications. Trustee Strom motioned to accept the committee’s recommendations to fund the two applications in the amount of $1,000.00 each, with funds coming from the Disabled Residents Aid line item. There being no further discussion, roll call was taken: Trustee Levitsky
(aye), Trustee Strom (aye), Trustee Schwartz (aye), and Supervisor Feiger (aye). All being in favor the motion was approved.

SUPERVISOR’S REPORT
Supervisor Feiger reported to the Board on matters of interest including a) her attendance, along with Township attorney Adam Lasker and Vernon Township Highway Commissioner Bryant Schroeder, at a recent Bannockburn Plan Commission meeting regarding the proposed Mariano’s store development on Waukegan Road, just north of Half Day Road. She reported on Del Mar Woods residents’ concerns over increased traffic, noise, and drainage. Supervisor Feiger noted that she will continue to do all in her power to protect residents’ interests regarding conditions of their roads; and b) that Walgreens Corporation donated $1,000.00 in gift cards for Food Pantry and other Township clients, to assist in paying for prescriptions. She noted that Walgreens intends this to be an annual donation.

OPEN DISCUSSION OF THE BOARD
Trustee Schwartz asked several questions, including whether or not the Township could legally donate to Deerfield High School’s Food Locker program, as proposed at last month’s meeting. Supervisor Fieger stated that she had confirmed that the Township could donate to the program, but felt the Board lacked interest in doing so, and therefore had not included it on the April Agenda. Trustee Levitsky emphasized that there was indeed Trustee interest in the program, and that the concerns that were voiced were over legal issues. He agreed with Trustee Schwartz that that they’d like the issue on the May meeting Agenda. Trustee Schwartz also asked about the status of the upstairs space formerly occupied by the Chamber of Commerce; Supervisor Feiger replied that it will be used for the case worker, private meeting space for assistance clients, and possibly passport work. Trustee Schwartz inquired about repairs to the fence surrounding the parking lot; Supervisor Feiger stated that she had received several estimates and the work would be done by Tru-Link, the original fence contractor. Trustee Schwartz also asked about the status of the Township newsletter. Supervisor Feiger explained that the building flood had taken priority over work on the newsletter; she intended to focus on it in coming weeks, possibly adding a special page concerning the building crisis and current status of the Food Pantry.

AUDIT AND APPROVAL OF BILLS
Following discussion on several points, Trustee Schwartz motioned to approve the bills with the exception of the $175.00 payment to Ron Schwartz. Trustee Strom seconded the motion. There being no further discussion, roll call was taken: Trustee Levitsky (aye), Trustee Strom (aye), Trustee Schwartz (aye), and Supervisor Feiger (aye). All being in favor, the motion was approved.
