HOTEL MANAGEMENT

Hospitality is a blend of attitude skill set such as warmth, friendliness and empathy, good listening skills and confidence. The hospitality industry has expanded rapidly in the past and is bound to grow in the coming years. As per industry estimates, the total manpower requirement in the hospitality segment would be more than seventy lakh by 2022. The growth in demand is due to investment in new projects and increase the travel and tourism industry. The existing skill gap has opened up promising opportunities & avenues for a career in the hospitality & allied industry. A career in the hospitality industry is glamorous, growth-oriented offers life long regarding the opportunity. The boom in the travel & tourism industry has triggered rapid growth in the past decades.

INSTITUTE AT GLANCE

The Global Institute of hotel management has been established to facilitate the transition from Hospitality Academics to successful careers in Hospitality. Hospitality, we believe, has new connotations in the modern world. It is an emerging industry with a bright future and part of the sunshine sector. Like always, we love to be at the vanguard of action and with a preparedness expected of the leaders in the industry. The horizons of the Indian hospitality industry continue to expand at a dynamic. Today the hospitality industry contributes invaluable to the Indian economy by creating employment and entrepreneurial opportunities and by being one of the highest grossers of foreign exchange for the national treasury.

Looking at the pace of growth of the hospitality industry, it is envisaged that there will soon be a marked shortage of managerial and technically skilled professionals. Keeping this in mind, our curriculum is designed to meet the challenges and demands of domestic and global markets.

OUR MISSION

With the able support of its advanced programs and technology system and a set of trained faculty members to give students the vital global edge, THE GIHM is steadily moving towards bringing a revolution in becoming a global leader in the education sector. It wishes to create a supportive learning environment that will generate professionals and leaders for some of the best industries in the near future.

OUR OBJECTIVE

Produce skilled and knowledgeable workforce that is functionally employable in the hospitality industry.

Provide opportunities for development of innate managerial and entrepreneurial skills.

Continuously upgrade resources to achieve excellence in education.

Make a difference to the Nation through social responsibilities
