

I will

- Connect on an energetic level with the person.
- Find out what the issue is that is holding them back from accomplishing their goal/desire.
- Come up with a command statement for them to utilize.
- From that positive statement define all the obstacles or blockages preventing them or holding them back from accomplishing their goals and dreams. Clearing each of these.
- Provide you with the timing related to the integration and completion of the goal.
- Success and then releasing the energy back in a new and improved state of wellness.
