

EXCEPTIONAL PERFORMANCE AND FUEL EFFICIENT

ROTAX 1503 4 TEC 250Hp

Supercharged

- 4 stroke - 12 valves - 3 cylinder
- Closed cooling loop - heat exchanger - liquid cooled
- Mechanical Driven Super Charger
- Inline direct jet drive
- EFI Electronic Fuel Injection
- Weighs 249 lbs
- Intelligent throttle control
- Supercharged intercooler
- Dry sump lubrication
- Super ultra low emissions
- Oil cooler
- Arial flow single stage jet pump
- ECM computer controlled break in

Advantages v. Competitors

- 118 lbs lighter
- Quieter
- Better fuel economy
- No 2 stroke oil needed
- 3 year/480hr warranty
- Standard rock grate
- Standard stomp grate
- Standard smart gauge cluster
(GPS, Speed, RPM, Engine Temp, Instant fuel economy, time, engine hours, fuel gauge, compass)
- 8000 RPMs
- No rear deck shroud
- Change jet pump in 15 minutes
- Different impellers and aftermarket upgrades available
