CASSS, an International Separation Science Society (USA)

CASSS will provide 10 travel grants to current full-time graduate students/postdocs who will present an oral paper or poster at the HPLC 2022 Symposium in San Diego. The student/postdoc must be the first author and presenter of the research and must attend the conference. Send the application including name, affiliation, email, abstract, and recommendation of the advisor as an attachment before April 15, 2022 to svecrf@faf.cuni.cz. The HPLC 2022 Organizing committee will review and rate abstracts of the applicants. Authors of the highest rated abstract will be awarded the travel grant and notified by the HPLC 2022 conference in April.
