

Contact Your Doctor's Office

When contacting us, first decide whether this problem or issue is an emergency. **If you are experiencing an emergency, call 911 and ask to be taken to an emergency room.**

If you have a non-emergent question, please consider scheduling an appointment by calling us at (480) 641-5400 or making a request through our secure patient portal. This is the best way to have a thorough discussion with your provider about your health concern.

If you have a non-emergent question, particularly a clarification of an issue discussed at your last appointment, please call us at (480) 641-5400 or send a portal inquiry. Your message will be shared with your provider and you will receive a call or message back within 24 hours.

We're here to help you feel better!
