

PPE PROGRAM

by Safilo®

MISSION

The spread of Covid-19 has threatened our livelihoods like never before and redefined the way we think about personal and public space. As we emerge from the lockdown and return to our lives, personal protection and safety is of paramount importance. Safilo is prepared to respond quickly to the immediate need - offering a quality range of durable personal protective eyewear - leveraging Safilo's expertise as a leader in premium eyewear and performance sport segments while utilizing our very own manufacturing facilities in both the USA and in Italy.
