

## **The Optical Group - *Welcome to the Labtician Théa Family***

Labtician Théa is a Canadian leader in the preservative-free management of glaucoma, dry eye disease and lid hygiene.

A rich history of innovation runs deep within its two founding companies with Labtician Ophthalmics having 60 years of experience bringing innovation to practice for eye care professionals in Canada and Laboratoires Théa having 150 years of history in eye care as the pioneer and leader in the development of preservative-free eye care treatments.

Through our strong partnership, we are able to provide best in class products, diagnostics and patient persistency programs that will allow our membership the opportunity to expand their Dry Eye treatment options while providing enhanced value to their clinics, communities and patients.

**As of April, 2020, we are proud to announce a partnership with The Optical Group. Please see below for further information on contacting your Labtician Théa representative and setting up an account.**

- **Setting Up an account**
  - All Optical Group accounts are currently registered with Labtician Théa
  - To place an order please e-mail or call your sales representative as outlined below or reach out to our order desk via **phone at 905-901-5304** or email at [orders@labtician.com](mailto:orders@labtician.com)

We would welcome the opportunity to meet with each account individually to discuss our portfolio in greater detail and how we can support you. Please refer to the next page for key contact information.

Thank you and we look forward to working with you and your patients.

The Team at Labtician Théa

**Therapeutic Sales Representatives –  
Responsible for all OTC and Rx lines within the Labtician Théa Portfolio**
