

Fundraising Form

Instructions: This form must be filled out before a fundraiser will be considered.

What We Offer: ATARASHI will donate **20%** of the sales with flyers (event participants) during the time frame discussed with the general manager and the organization/charity. We will post social media posts with a flyer made and given to us by the organization/charity. The donation check will be ready after two weeks of the fundraising date, made to the name of the organization provided to us below.

What We Expect From Organization/Charity: We need your organization/charity to create a flyer for the event, post on social media, and have members of the group throughout Oakland passing out flyers to come to ATARASHI to help for the fundraiser (this does not mean standing outside of our door and passing out flyers to customers already coming into ATARASHI). By partnering up with ATARASHI, we expect 100% effort into the fundraising event as we will be providing our best service too. We expect your organization to bring in at least 50 customers to the fundraising time as we will be donating funds from our existing customer base.
